Dear Friends:

Thank you very much for your generous support of the annual Little Hands Big Hearts hosted by Terri Bourque. Your donation of \$500 allowed Terri to create yet another unforgettable experience for the many guests who attended the event at Kornerstones Bar and Grill on November 26<sup>th</sup>, 2016.

Most importantly, you helped raise vital funds for SickKids. A place of hope and healing for more than 140 years, SickKids is recognized as one of the world's foremost paediatric health-care facilities and is Canada's leading centre dedicated to advancing children's health through the integration of patient care, research and education. Each year, more than 100,000 children rely on the lifesaving care provided at SickKids. Your support enables the best care possible for young patients, unparalleled education of the next generation of healthcare leaders, and cutting-edge research to help fight illness and ultimately build a future without it.

On behalf of everyone at SickKids and all the children and families whose lives will be improved by your inspiring philanthropic support, thank you.

We look forward to seeing you again this year.

Together we will improve child health.

Sincerely,
